

ARE YOU INTERESTED IN VENDING AT CIVIC CENTER EATS?

Vending space at Civic Center EATS is allocated prior to the season. These spaces are allocated through an application and curation process. The application for the upcoming season is typically available in mid-January and due in mid-February. The application window for 2017 is now closed.

For vendors who missed the application window and are interested in vending during the current season there is a process to get on our “drop-in vending” list.

Getting on the Civic Center EATS Drop-In list in 2017 is a four-step process. You must complete all four steps before we can consider you for an open shift. The steps are outlined below and in detail on the following pages.

Step 1: Create a ManageMyMarket Vendor Profile – Here you will create an account on Manage My Market.com and enter information about your business and the products you sell. Please note that this “system” was designed for farmers’ markets, so some of the questions may seem odd – do your best to answer them. You do not need to list all your products, but please at least include your five bestsellers to give us a sense of your menu.

Step 2: Apply for Civic Center EATS – Once you complete your profile, you will be given the option to apply to “markets” in your area. Find “Civic Center EATS” on the options and complete the application.

Step 3: Upload licenses, insurance, photos, and other documentation – After you submit your application, you will upload various required documents into your profile at ManageMyMarket.com.

Step 4: Pay the application fee – When you submit your application, you will automatically be invoiced the \$25 application fee. This must be paid on-line following the instructions in your invoice.

Once these steps are completed, let you know you have been added to the drop-in list. Being on the drop-in list does not guarantee you any shifts at Civic Center EATS, but does mean you will be considered for drop in shifts during the current season.

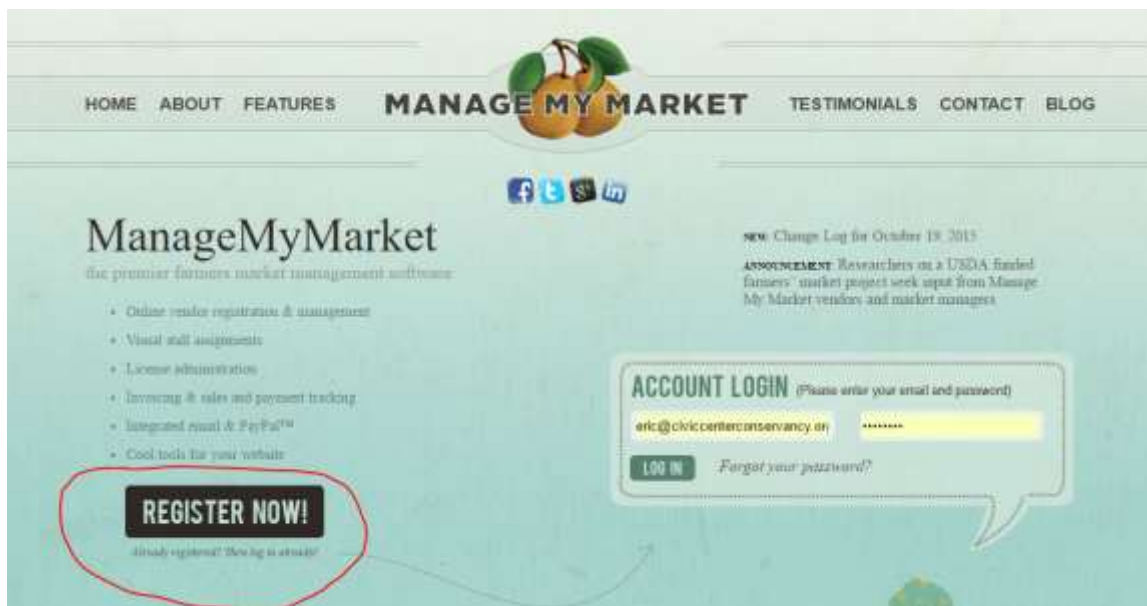

2017 Civic Center EATS Application Instructions

Applying for Civic Center EATS is a four-step process. Below are additional details and resources on each of the steps. Step 1: Create a ManageMyMarket Vendor Profile

Please note that when you get to the product section - you do not need to list everything you will be selling. Please list at least five menu items for which you are best known. There is a chance that these products may be part of a public vendor profile listing and will be used when we review the applications. You can also update this section as your menu offerings change through the season.

Step 2: Apply for Civic Center EATS

After you complete your vendor profile, you will be given the option to apply to markets in your area. Find “Civic Center EATS” in the listing and click the “apply now” button.

Please pay special attention to the detail asked for in the Proof of Liability Insurance.

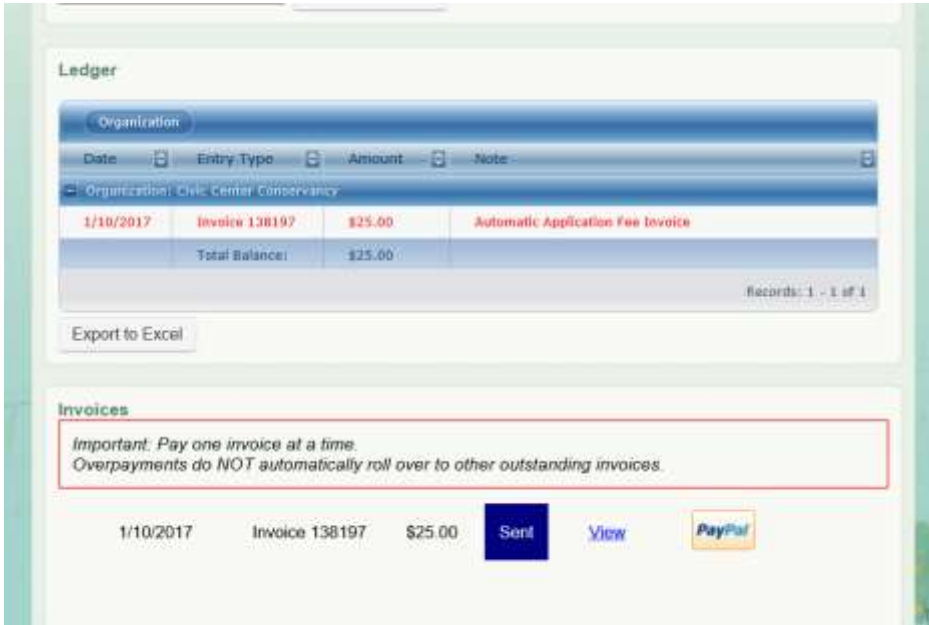

- A .PDF of your menu
- A copy of your State Sales Tax License
- A copy of your Denver Sales Tax License
- A copy of your License to Operate a Retail Food Establishment (State of Colorado)
- A copy of your Business Professional License from the City & County of Denver
- Photo(s) of your mobile food set-up – both interior and exterior or rendering of your set-up if still under construction.
- Proof of Liability Insurance - This should be a **certificate of insurance** not a copy of your insurance policy. The COI should list the **Civic Center Conservancy, 110 16th Street, Suite 905, Denver CO 80202** as the certificate holder. It must include the following language in the additional remarks: **CCC, its officers, directors, employees and volunteers and the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insureds.** Your insurance provider should be able to provide this for you.

As you upload your documents. If they expire, please be sure to enter the expiration date. The system is set-up to let both you and the event organizer know a document is approaching an expiration date.

Step 4: Pay the application fee

When you submit your application, an invoice for the \$25 application fee will automatically be emailed to you. Please click the link in this email to pay via PayPal. You will be able to pay with a debit card, credit card or via your PayPal account. Your application will be considered incomplete until this fee is paid. Incomplete applications will not be considered at selection time. **Application fees are not refundable, even if you are not selected for a shift at Civic Center EATS in 2017.**
