

EVENT NOTIFICATION

ROAD CLOSURES AND METER BAGGING

June 12, 2017

As part of our event notification protocols, the Civic Center Conservancy is alerting Civic Center Park neighbors of the following street closure details related to Independence Eve. We would appreciate your help in spreading the word within your organization/community.

Dear Civic Center Neighbor:

The eighth annual Independence Eve Celebration in Civic Center Park is just three weeks away – featuring a concert, light show and fireworks finale. The free community event will take place on Monday, July 3, 2017, at 8:00 p.m., but we know spectators will begin arriving earlier in the afternoon since it is first-come, first-served seating.

The website with event details is available at: http://www.civiccenterconservancy.org/event-independence-eve_75.html

To mitigate parking concerns, we will (1) place bike racks on the north and south sides of the park as we have in previous years, (2) continue encouraging people to use transit, and (3) continue publicizing nearby parking garages and surface lots. We have already alerted RTD to the event as well.

As Civic Center neighbors, we want to alert you to the following temporary street closures and meter bagging that will take place – mostly on July 3rd – but one on July 2 as well:

Full Closures
