CIVIC CENTER CELEBRATION

Who We Are

Formed in 2004 by a group of private citizens passionate about revitalizing Civic Center Park, the Civic Center Conservancy is a 501(c)(3) nonprofit organization that works to restore, enhance and activate Civic Center Park - Denver's only National Historic Landmark that serves as an iconic cultural and community hub which inspires civic pride for all.

Key Areas of Strategic Focus

1. Creating Daily Activation in the Park through Capital Improvements & Programming
2. Positively Impacting Social Challenges that Impact Downtown Denver
3. Collaborating with the Partners & Neighbors of the Civic Center Campus

Where Your Support Goes

Your support goes directly toward the Conservancy's programming efforts which build community through unique events ranging from music concerts in the Greek Theatre to Civic Center EATS, Denver's largest food truck gathering, daily free yoga/fitness classes in the park, our Art in the Park program, and our signature Independence Eve concert and fireworks show, the largest free event of its kind in Colorado.

Your support also enables the Conservancy to be highly engaged in critical partnerships focused on improving the significant social issues that face Civic Center Park, and our work advocating for critical City and State support of maintenance, security, and homeless outreach efforts.
